Sir,

Subject: Grant of a Free site for the State N.G.Os' Association, Bangalore

---

JTB 5-52-391

With reference to your letter No. L. 5886/~~97-B.5-391~~ dated 13th August 1954 on the above subject, I write to state that while the Central Association of N.G.Os. was all the while eagerly looking ~~fffxxx~~ forward for the generous grant of a site in the close vicinity of Public Offices, we are very sadly disappointed to receive your communication, stating that no site can be granted in the area near the M.G.S. Club.

We need hardly point out, Sir, that the Association is very much handicapped for want of proper accommodation and is unable to pursue certain constructive activities such as (i) Opening a Reading Room and a Library; (ii) Organising periodical lectures on cultural topi and Departmental tests; (iii) Organising a Staff Co-operative Societ and Mutual Benefit Scheme, etc., in the absence of a suitable building of their own.

On behalf of the Executive Committee, I appeal to Government once again to have sympathy on the State Organisation and see their way to allot some suitable site very near the Public Officed, -- not necessarily near the M.G.S. Club, but somewhere near the Central Govt. Offices.

P,T.O.

In this connection, we may venture to suggest that the Mayor of the City Corporation and the Chairman, Bangalore City Trust Board, may also be consulted in this behalf so that we may be enabled to secure a suitable site for the State Organisation without further delay.

We look forward for a generous gesture at the hands of Government as early as possible.

Yours faithfully,

B. Subba Ramiah

Honorary General Secretary.
